

"Safer Tourism Promise"

COVID-19 PRECAUTIONARY MEASURES

Dear Valued customer, following the publication of Statutory Instrument (SI) 10 of 2021, we are pleased to announce the COVID 19 precautionary measures our hotels are adhering to.

1. Staff Education and Personal Equipment

- All staff have undergone and continue getting training on Covid 19 precautionary measures.
- Our Housekeeping staff wear Polyvinyl Chloride (PVC) aprons and suits, disposable plastic aprons and face shields.

2. Crowd Control

- A strictly no loitering policy is in place.
- Only guests/patrons with confirmed business at the hotel are allowed entry with adherence to Covid-19 protection protocols.

3. Temperature Checks

- Temperature checks are done for all persons entering the hotel - guests, staff, and suppliers, etc.
- Details of medical records and temperature are kept on files for each staff member.

4. Medical Team on Call

- Qualified medical team on call to perform rapid testing on site as and when needed. Polymerase Chain Reaction (PCR) test is done off-premises.

5. Hygiene Conformity

- Sanitization protocols for goods and deliveries are religiously implemented.
- Strict hygiene practice is applied and audited from delivery of raw products, food preparation up to consumption.

6. Intensified Sanitization in Common Areas

- Increased frequency of sanitizing high touch surfaces like door handles, elevators and common bathrooms.

AFRICAN SUN
